

Call for nominations

Paul Erdős Award

The Paul Erdős Award was established to recognise contributions of mathematicians who have played a significant role in the development of mathematical challenges at the national or international level which have been a stimulus for the enrichment of mathematics learning.

Each recipient of the award is selected by the Executive and Advisory Committee of the World Federation of National Mathematics Competitions on the recommendation of the WFNMC Awards Subcommittee.

Paul Erdős Award 2016

The WFNMC Awards Committee hereby issues a call for nominations for the Erdős Award 2016.

Send nominations to Awards Committee Chair María de Losada (mariadelosada@gmail.com) by January 15, 2016.

Awards will be given at ICME-13 in Hamburg, July, 2016.
