

WFNMC Executive Meeting
Wednesday 23rd July 2026 5:45pm
Kuala Lumpur

Present: Kiril Bankov (KB), David Crawford (DC), Sergei Dorichenko (SD),

Robert Geretschlaeger (RG) President, Alexander Soifer (AS)

Present Online: Krzysztof Ciesielski (KC), Meike Akveld (MA) (5:50 to 6:15)

Apologies: Peter Taylor

1. Welcome. RG welcomed everyone to the meeting and apologised for the lack of a previously circulated agenda.

2. Agenda. RG briefly outlined the planned agenda.

3a. New Statutes. KC briefly reminded everyone of the changes to the constitution that had been suggested (correcting inconsistencies, allowing Presidents to run for more than 1 term and replacing the automatic appointment of the Immediate Past President (IPP) as Chair of the Awards Committee with one chosen by the Executive) and circulated for comments a couple of months earlier and reminded everyone of the reasons behind the suggestions. AS said he had some comments to make on them. AS said he disagrees with some of the principles of the suggested changes, although not the overall outcome.

After a lengthy discussion, all present agreed to the following modifications to the constitution:

a) The President be allowed to serve no more than two 4-year terms.

b) The Chair of the Awards Committee be elected by the Executive Committee from any of the Past Presidents, subject to a maximum of two 4-year terms.

In Article 8 – ORGANIZATION, section 4.1. will be changed to the following:

“(4.1) President: The President will preside at meetings of the Executive and of WFNMC members, will serve ex-officio on all committees, will ensure the coordination of all Federation activities, will prepare agendas for general

meetings, and will represent the WFNMC at official functions as necessary, and will maintain relations with international bodies with which the WFNMC is affiliated. The President's time in office is limited to two 4-year terms; upon leaving office the President becomes "Immediate Past President" for one 4-year term. Each Past President will remain a full voting Member of the Executive for as long as s(he) is willing to contribute to the work of the Executive and the Federation. “

Furthermore, section 4.4. will be deleted.

In Article 9 – COMMITTEES, section 1.2 will be changed to the following:

“(1.2) Awards: The Chair of the Awards Committee is a Past President who is elected by the Executive. This position is limited to two terms. The Chair will be responsible for the gathering of nominations for the Federation's Awards, for working with the Awards Committee to select worthy recipients, and for recommending recipients to the Executive Committee.”

3b. Standing Committees. RG reported that PT had indicated that he wished to stand down from the Awards Committee as he felt he no longer knew enough relevant people to be helpful.

4. Future Conferences. The Mini Conference in 2028 that traditionally takes place a day before the start of an ICME meeting, would be in the Czech Republic. Previously active WFNMC members from there lived a few hours away from Prague and so might have been more easily persuaded to help. The meeting thought that being in the same place as ICME was desirable so RG said he would try to find someone to help organise it there. In 2030, the IMO is due to be in Switzerland so RG thought it would make sense to have the 2030 WFNMC Conference somewhere near there, although no offers to host had yet been received. RG wondered if Lucas Donner, who will be proposed to be Secretary, might be persuaded to organise one in Germany.

5. Journal – Maria Losada is happy to continue as Editor for now but would like to step down some time “soon”.

Website – PT has handed over running of the website to S. Ivanov. The change is working well.

6. Co-operation with the AMT. PT will continue as liaison. The AMT will continue to create the physical Erdos awards. The collaboration with the Journal is not continuing but this is not a problem as all is online.

7. Nominations. RG reminded the Executive of the suggestions for changes to the membership of the Executive Committee from the end of current conference.
